DR. RADHAKRISHNAN SCHOOL OF ARTS, COMMERCE & SCIENCE

A unit of "Dr. RadhaKrishnan School of Advance Studies"

In association with

CAREER POINT
JEE-Main /Advanced (IIT), NEET
Career Point Eduventure Pvt. Ltd.

Principal's Message ...

Dear Student Friends / Parents,

"The end product of education should be a free creative man, who can battle against historical circumstances and adversities of nature."

- Dr. Sarvepalli Radhakrishnan

The education system has changed a lot with time. To shine in this changing arena and highly competitive world, the students need the clarity of concepts and the institution needs innovative techniques and teaching methodology. Selecting the right school after board exam is probably one of the most crucial decision for a student. Our institution, Dr. Radhakrishnan School of Arts, Commerce & Science constantly strive to ensure that our students get clarity in concepts and not only can compete but also can shine in All India level exams and we leave no stone unturned to groom our students to carve a niche in their career. Here, a scientific and standardize system has been developed to effectively manage and shape careers in diverse fields. With a world of value education that goes beyond the classroom, all efforts are taken to make the children better citizens and better human beings. At the same time we are committed to equip our students with a personality which is enriched with discipline, self-motivation and strong determination to take on all the challenges on their way of making their own destiny.

Needless to emphasise that Dr. Radhakrishnan School of Arts, Commerce & Science, since its inception, has maintained the excellent academic results on sustained basis. Our students are studying in top ranking colleges and universities, IITs, NITs, Medical Colleges etc. all over India. Some of them are now well established and prospering in life. This loudly speaks of the team work of the highly dedicated teaching staff and the visionary management. At last I welcome all the students to this institution and wish best wishes for their bright career.

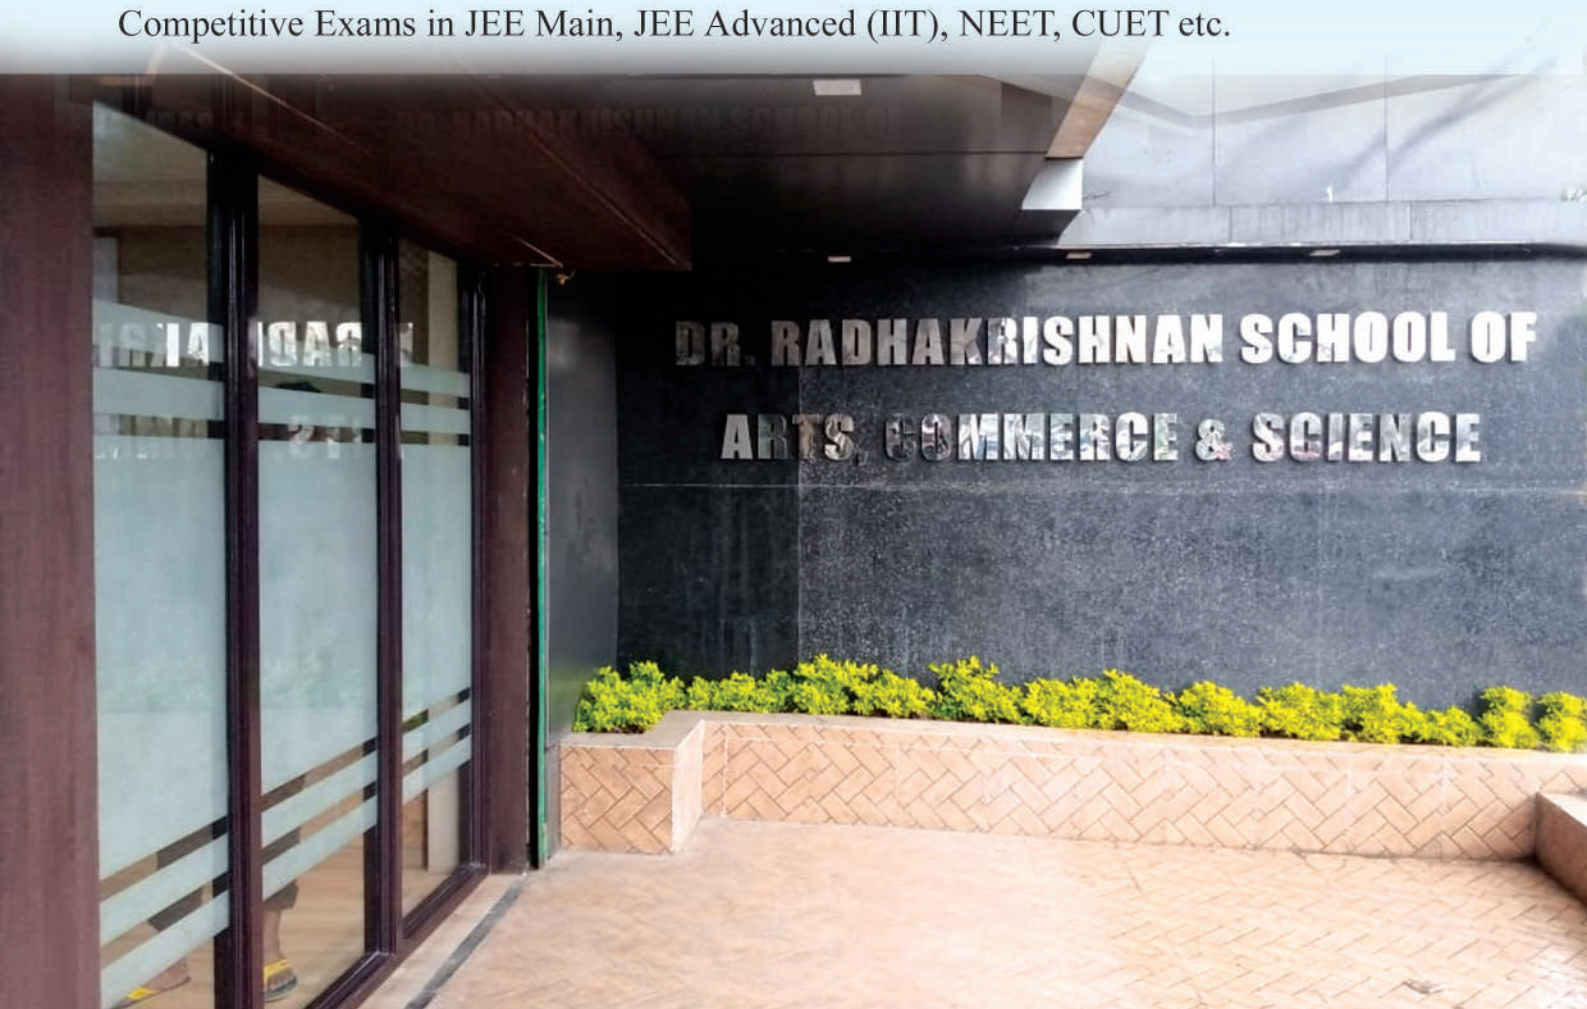

With Best wishes

Bikash Gogoi

Principal, Dr. Radhakrishnan School of Arts, Commerce & Science
Director, Career Point Eduventure Pvt. Ltd.

It was in the year 2011 that **Dr. Radhakrishnan School of Arts, Commerce & Science** started its journey with just 37 students of Arts & Commerce stream. There were many challenges that came its way but the institution has always been determined to move on towards its goal. From the past ten years the hard work and dedication of the entire team of Dr. Radhakrishnan School of Arts, Commerce & Science teachers and students have brought tremendous growth in the graph of performance of the institute as well as in the enrolment of students. Presently the college has a strength of more than 1650 students along with more than 200 teaching and non-teaching staff. It is also equipped with advance modern labs for subject like Physics, Chemistry, Biology, Geography, Psychology, Computer Science etc. The security system has been upgraded to ensure total safety of the students. It has CCTV surveillance in the entire campus. Moreover the institution has introduced the online app that can provide the guardians with all the necessary information like student's attendance, academic performance etc.

CAREER POINT is another significant part of this institution started its journey in 2005. Initially we began our project with a professional coaching institute and helped more than 1200 students to crack their entrance test in IIT-JEE, other Engineering & Medical Colleges. The institution has also pioneered a synchronized integrated programme for science from 2018. It meets the parallel requirement of Board Exam as well as the Competitive Exams in JEE Main, JEE Advanced (IIT), NEET, CUET etc.

It is the strength of quality faculty that imparts effectiveness in academic courses. At Dr. Radhakrishnan School adequate care is taken by the faculty members who have a strong academic background and are also skilled in the art of helping their students in obtaining conceptual clarity, resulting in high academic attainments.

Faculty members with high repute and armed with the magnificence of knowledge and experience make our academy stand unparalleled giving pride and excellence. Our faculty members are not only educated and experienced but also highly self motivated towards a holistic development which reinforce positive vibes of education wherein they sow the seeds of a better nation with better people.

Candidates seeking admission to the School for Higher Secondary have to apply only in the prescribed 'Admission Form' which can be procured along with the Prospectus from the office of the college on payment of **Rs. 400/- (Four hundred only)**. Duly completed application form must be accompanied by the following documents. (Provisional admission candidates have to produce the following documents after the declaration of board results) :

1. One self attested copies of the HSLC Mark Sheet
2. One self attested copies of the Pass Certificate.
3. One self attested copies of Registration Card.
4. Two recent coloured passport size photographs.

Original documents shall have to be produced at the time of admission.

(Admission will be purely on merit basis. Admission forms are to be submitted as early as possible.

- Students must come to the institute in proper uniform.
- **Minimum 85% attendance** is must and failure of which may result in non collegiate(NC) and dis collegiate(DC). A fine will be imposed on the non - collegiate students and dis - collegiate students will not be allowed to appear in the final exam.
- Students are not allowed to leave the institution without prior permission of the authority.
- **Mobile phones are not allowed inside the campus.**
- The institute observes "ZERO" tolerance policy towards ragging.
- Using any kind of **narcotic and alcoholic substances will be considered as an offence** leading to expulsion.
- Students shall have to participate in any other tools of internal assessment.
- **No refund of fees of any type shall be granted.**
- The decision of the Management shall be final and binding in case of any dispute.
- Indiscipline or misconduct in the institution will not be tolerated.

RAGGING
ANTI RAGGING ZONE

Integrated SCIENCE

Dr. Radhakrishnan School of Arts, Commerce & Science in association with Career Point coaching division offers integrated science programme for two years.

Apart from the traditional curriculum of Higher Secondary, a new project of integrated course has also been introduced from the year 2019 for the students appearing class Xth examination of various boards (HSLC, CBSE etc) making them competent and familiar with the competitive environment. It provides true synchronization of both board and competitive exams.

This curriculum is specially designed to focus on both board level and competitive exams (OLYMPIADS, JEE Main & Advanced (IIT), NEET, CUET etc) with better time management and effective way of study to take out the best in themselves. In this course we nurture the students in scientific manner with stress on the fundamentals and help students to build up a solid foundation of concepts and develop an analytical approach towards problem solving which maximizes the probability of selection in entrances like NEET, JEE-Main & Advanced (IIT) etc.

INTEGRATED SCIENCE

COMBINATION OF SUBJECTS

CORE SUBJECTS :

English
MIL (Assamese) /
Alternative English

COMPULSORY SUBJECTS :

Physics
Chemistry
Mathematics

ELECTIVE SUBJECTS :

Biology / Computer Science
/ Statistics

Option : I

Engineering / Mathematics based
Competitive exams.

- Physics
- Chemistry
- Mathematics

Option : II

Medical / Biology based
Competitive exams.

- Physics
- Chemistry
- Biology

Routine for H.S. 1st year integrated course : Session 2024-25

Morning Session	Recess Break	Afternoon Session
8.30 am to 11.30 am Board based academic classes by RK Faculty	* from this session this 45 minutes tiffin break will be dedicated wholly to students' doubt clearing	12.15 pm to 3.15 pm Entrance oriented Coaching classes by Career Point Faculty

General **SCIENCE** (Amolapatty Campus)

Dr. Radhakrishnan School of Arts, Commerce & Science offers Science programme for two years. In this course students can fully focus on the preparation of their H. S. board syllabus and at the same time for CUET Examination. For CUET part test & full test are conducted at regular interval which helps the students to assess themselves in a better way.

Sequence of topics in every subject is strictly followed. Every day 45 minutes doubt sessions will be provided for more conceptual clarity.

No extra tuition is required as enough opportunity is given to every student for doubt clarity. Moreover there will be section shuffle after every mid-term examination on merit basis to create competitive environment among the students.

COMBINATION OF SUBJECTS

- **CORE SUBJECTS** : English & Alternative English / MIL (Assamese)
- **COMPULSORY SUBJECTS** : Physics, Chemistry & Mathematics
- **ELECTIVE SUBJECTS** : Biology / Computer Science / Statistics

Routine for H.S. 1st year Science (General) : Session 2024-25

Morning Session	Recess Break	Afternoon Session
8.30 am to 11.30 am Board based academic classes by RK Faculty	cum doubt session 11.30 am to 12.15 pm	12.15 noon to 2.15 / 3.15 pm Board based academic classes by RK Faculty
NB. - For the initial months HS 1 st year classes for science will get over by 2.15 pm. which will later be extended to 3.15 pm. after the commencement of practical classes.		

General **SCIENCE** (Boiragimoth Campus)

Boiragimoth campus is the second campus for General Science. The time table for this campus will be quite different and time saving. However faculty for all the subjects will be same. Classes in this campus will start at 07.45 am and will be over at 01.00 pm.

This campus is more suitable for the students who are interested for the evening coaching batches of Career Point and **this curriculum is specially design to focus on both board level & competitive exams like JEE Mains & Advanced (IIT), NEET, CUET etc.** and any other recreational activities. Separate hostel facility as well as canteen is available for this campus.

Sequence of topics in every subject is strictly followed. Every day 45 minutes doubt sessions will be provided for more conceptual clarity.

No extra tuition is required as enough opportunity is given to every student for doubt clarity. Moreover there will be section shuffle after every mid-term examination on merit basis to create competitive environment among the students.

CORE SUBJECTS :

English

MIL (Assamese) / Alternative English

ELECTIVE SUBJECTS :

Economics

Political Science

Psychology

Education

History*

Geography/ Statistics*

Sociology/Maths*

* Statistics will be provided only for the students opting for Eco-Stats-Maths combination

* Mathematics will be provided only for the students opting for Eco-Stats-Maths combination or students having Economics as one of the subjects.

* History will be provided only for the students not opting for Maths & Statistics.

S T R E A M

Routine for H.S. 1st year Arts : Session 2024-25

Academic Classes

(9.00 am to 02.15 pm)

Academic classes based on prescribed syllabus.

Additional Class

(02.15 pm to 03.15 pm)

CUET and other personality development classes.

CUET Exams

Part test & full test for CUET will be conducted at regular interval in the OMR format and Software checked results will be declared.

For Arts Stream
Dr. R.K. School offers
separate sections for both
English
&
Assamese Medium.

Arts and Humanities form the basis of the formation of a stable, ordered and progressive society. Therefore we aim at moulding our budding futures into responsible citizens and competent human beings. Apart from the academic classes, we also arrange workshops, seminars and other co-curricular activities to help the students to bring out their hidden talents. An academic activity week has also been initiated specially for the students of Arts stream which includes mock election, quiz, exhibition and projects etc. giving a practical knowledge of the content they are studying.

COMMERCE

COMBINATION OF SUBJECTS

HOSTEL LIFE of R.K.

Separate Hostel for Boys & Girls

The School provides hostel facility to the students from outside Dibrugarh. At present the RK School & Career Point have 12 boys' hostel and 12 girls' hostel with limited seat capacity which are directly under the supervision of the school authority.

- ★ 24x7 Power backup.
- ★ Emergency Medical Van.
- ★ Bus facilities for Transportation.
- ★ Frequent and systematic doubt classes are provided for hostellers to improve their academic performance.

➤ From the current year **Food & Nutrition Manager** has been appointed to monitor and maintain food quality and balanced diet for students.

➤ The **Yoga Instructor** will be there to teach the students various stretching poses, practice meditation and promote mindfulness in addition to overall wellbeing.

Programmes & Events

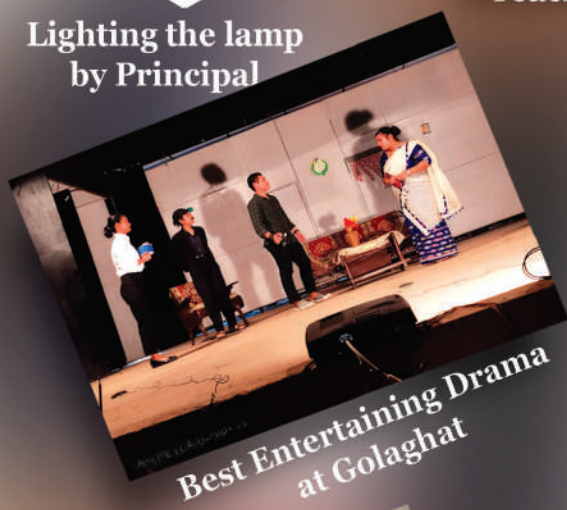

Lighting the lamp
by Principal

Teachers' Day Celebration

RK Run for Fitness

Best Entertaining Drama
at Golaghat

Workshop on Entrepreneurship

Career counselling on Indian Navy

"We believe "Education is an all round drawing out of the best in the child and man; body, mind and spirit." So, we organise various programmes and events which give the students a platform to exhibit their talent in various fields.

Freshers social and farewell are two regular programmes organised each year to welcome the first year students and to bid goodbye to the outgoing batch where students engage in one or the other cultural activity.

Programmes & Events

Dialectic 2023

Exhibition in Activity Week

Group Dance by Students

SPIC MACAY Programme@RK

'Dialectic' is an all Assam debate competition started in the year 2016 where students not only from this institution but also from other institutions of various parts of the state participate with their bold and convincing arguments.

'R.K. Run' is another addition to make the students physically fit which was started in the year 2017 as mini marathon.

Academic activity week is also celebrated where students perform various academic activities like mock election, quiz, seminar, workshop, exhibition etc. which provides them with a practical knowledge of the content they are studying.

Elysian (Academic Activity Week)

Drama performance

Relish Kfeteria

The school has its own canteen "Relish Kfeteria" that serves delicious food with a hygienic surrounding. One must have a good health to give the best in studies and we arrange for the same to ensure that the students do not put their efforts with empty stomach or depending on cheap fast food. Inside "Relish Kfeteria" they will also have the healthy environment for group celebration like birthday etc. Moreover, students can avail cashless service at the canteen using Cafeteria Wallet.
