Courses offered for Science Stream

Dr. Radhakrishnan School of Arts, Commerce & Science in association with Career Point Dibrugarh offers the following courses

- ✱ General Science (Amolapatty Campus)
- ✱ General Science (Boiragimoth Campus)
- ✱ Integrated Science (Amolapatty Campus)
- ✱ CP-Integrated Science (Boiragimoth Campus)
- ✱ RK Dummy (Amolapatty Campus)

INSSAT is valid for Class-IX & Class-XI (General Science, Integrated Science & RK Dummy)

Integrated Science (Both Amolapatty & Boiragimoth Campus)

- Only institute in Upper Assam specializing in integrated science, offering a unique program that prepares students for both board examinations and entrance tests such as **JEE Main & Advanced, NEET, IISER, IIST and CUET etc.**
- The comprehensive curriculum includes study materials, **Daily Practice Papers (DPPs)** and topic-wise class tests after each chapter.
- Strictly sequenced lesson plans with daily 45-minutes doubt-clearing sessions.
- Merit-based section shuffling after 2–3 part tests & cumulative part test to foster competitiveness.
- One-to-one sessions are available by appointment through the coordinator.
- Regular part and full tests: OMR-based for NEET, CBT for JEE to ensuring exam familiarity.
- Experienced faculty team including IITians and NITians from across India.
- The All India Test Series (AITS) for JEE & NEET boasts a nationwide ranking (AIR).

RK Dummy Batch

- This course exclusively focuses on National Level Competitive examinations like **JEE (MAIN & ADVANCED), NEET, IISER Aptitude Test & CMI Entrance exam, CEE, CUET Olympiad etc.**
- Regular assessments: DPPs, topic-wise tests, part & cumulative tests, full-length exams, and **All India Test Series (AITS) in both OMR and CBT formats.**
- Students have the option to attend daily open doubt sessions and board classes as needed.
- Students will appear in district level terminal and pre-board examination & practical classes as a part of board preparation in the same campus i.e. RK Amolapatty Campus.

General Science (Both Amolapatty & Boiragimoth Campus)

- » Lesson Plans & Sequence of topics in every subject are strictly followed.
- » Daily **dedicated doubt-solving** sessions to strengthen concepts.
- » One-to-one interactive sessions available by appointment through the coordinator.
- » Merit-based section shuffling after each terminal exam to build a competitive spirit.
- » Topic-wise tests conducted after completion of every chapter.
- » Student can avail Career Point Test Series for CUET, NEET, JEE, IISER etc. if they wish.

IX-BASIC

Basic Course

- The course is designed for students who plan to pursue General Science or Arts or Commerce in the future (not yet decided).
- Sequence and lesson plans of topics in every subject is strictly followed.
- Topic wise test conducted after completion of every chapter.
- 45 minutes dedicated doubt session every day for more conceptual clarity.
- One-to-One interactive sessions by taking appointment through the coordinator.
- No extra tuition is required as enough opportunity is given for every doubt clearing, which helps the student in time management.

Advance Course (Integrated)

- This 4-year Integrated Advanced Course prepares students for national-level exams like **IIT-JEE, NEET, IISER, IIST and CUET by Class XII** introducing advanced concepts in Classes **IX and X to reduce pressure in XI and XII** and build confidence for these exams.
- Systematic learning with strictly followed lesson plans and sequences.
- Daily 45-minutes doubt-clearing sessions for better conceptual clarity.
- Personalized one-to-one sessions available through the coordinator.
- No need for extra tuition—ample in-course doubt support provided.
- **Regular Unit, Half-Yearly & Annual Exams, plus Part & Cumulative Tests in OMR** format with software-evaluated results.
- Study materials and DPPs provided for focused entrance exam preparation.
- Classes conducted both board faculties and Career Point faculties including IITians, NITians & experienced educators.

Our institute emphasizes not only terminal or half yearly examinations but also a wide range of competitive exams, conducted through advanced modes such as **Computer-Based Tests (CBT)** and **OMR**, ensuring efficient, accurate, and modern evaluation of student performance. The CBT system is specially designed for **IIT-JEE, IISER, and CUET** aspirants, while the Computer evaluated OMR-based assessment caters to **Board & NEET** aspirants. To ensure the highest standards of quality and relevance, all question papers for both CBT and OMR examinations are sourced from India's leading examination platforms, renowned for their robust research and development expertise. Additionally, our institute maintains an independent Examination Department, led by an Controller of Examinations with two Assistant controller of examinations to conduct class tests, terminal exams and pre-board exams impartially and efficiently."

Glimpses of INSSAT Exam - 2025 in different location

The School provides Hostel facility to the students from outside Dibrugarh. At present Dr. RK School and Career Point has 41 Hostels (separate for both boys & girls) with limited seat capacity which are directly under the supervision of the school authority.

- » Frequent and systematic doubt classes are provided for hostellers to improve their academic performance.
- » 24x7 Emergency Medical Van facility available .
- » 24x7 Power backup facility in hostels.
- » Yoga and meditation classes are provided for students' physical & mental health under the guidance of Certified Yoga Instructor.

Relish Kfeteria

The school has its own canteen **"Relish Kfeteria"** that serves delicious food with a hygienic surrounding. One must have a good health to give the best in studies and we arrange for the same to ensure that the students do not put their efforts in empty stomach or depending on cheap fast food. Inside "Relish Kfeteria" they also have the healthy environment for group celebrations like birthdays ..
